Legal notice:

BMW i3 50 xDrive Sedan: Energy consumption, WLTP combined in kWh/100 km: 13.4–16.2; Electric range, WLTP in km: 814–912

BMW iX5 60 xDrive: Electric consumption, combined cycle WLTP in kWh/100 km: 19.3–21.4; Electric range, WLTP in km: 764–850

BMW iX4 50 xDrive: Electric consumption, combined cycle WLTP in kWh/100 km: 15.7–17.6; Electric range, WLTP in km: 736–828

[1] Example for a BMW X1 sDrive20i M Sport. 39 linear monthly payments: €490/month.
Long-term lease over 39 months and for 30,000 km including maintenance and extended warranty. Financial loss insurance must be purchased through BMW Finance or with the insurer of your choice, subject to providing proof to BMW Finance. Offer reserved for private individuals for any order of a BMW X1 sDrive20i M Sport at participating dealerships before November 30, 2026, while stocks last and subject to acceptance by BMW Finance, SNC with a capital of €87,000,000 - RCS Versailles 343 606 448, registered with ORIAS under number 07 008 883. Excludes wear parts. Since September 1, 2018, new light vehicles in Europe have been type-approved based on the Worldwide Harmonised Light Vehicles Test Procedure (WLTP), a test procedure that provides more realistic fuel consumption and CO_2 emissions figures than the previously used NEDC procedure.
Model shown: BMW X1 sDrive20i M Sport with options at €510/month with no down payment. 39-month lease. 30,000 km.

[2] Offer subject to conditions, valid on genuine BMW accessories for any purchase of a minimum amount of €100, from October 1st to December 31st, 2026.
